

Dear Sir or Madam,
in common with the therapy farmyard Regenbogental in Leobersdorf I've initiated a bicycle charity tour through Europe.

To best support the charity project, we ask you to place the article below in your prestigious magazine free of charge in the next issue. Of course you will be named as a sponsor.

**Biketrip Charity. By bicycle from the Atlantic to the Black Sea for a good cause!
3.653 Kilometer. 10 Countries. 6 Rivers.**

Leobersdorf, 09.04.2018.

By bike from the Atlantic to the Black Sea:

Gerhard Lenk, 57 years young and passionate cyclist, collects donations for the non-profit association Regenbogental. (<http://www.regenbogental.at>)

The tour is already supported by regional companies such as [Foto Schneider](http://www.foto-schneider.at) (<http://www.foto-schneider.at>), [Weingut Dungal](http://www.dungel.at) (<http://www.dungel.at>) and [Bobby's Sport Shop](http://www.bobbys-sport.at) (<http://www.bobbys-sport.at>) and others.

The tour starts in St. Nazaire, France in May 2018, and anyone interested can follow the bicycle tour up close via Facebook, YouTube and Biketrip (www.biketrip.at). Members of the Facebook group "[Radfahren und Radreisen in Europa](https://www.facebook.com/groups/bicycletour)" (<https://www.facebook.com/groups/bicycletour>) can interactively participate in activities, routes, restaurants and visits.

Companies can use the media presence and place advertising.
